Dear Exhibitor,

This year's Hospital Build Europe 2012 will once again be featuring an Exhibitor Forum where exhibitors will have an opportunity to give a **20-minute presentation** free of charge, followed by a discussion session of about 10 minutes.

The following application and selection criteria will apply to presentations submitted for HBE 2012:

- Exhibitors reserving large show stands will have priority
- Preference will be given to examples of best practice and application by users
- Promotional and marketing presentations will be rejected
- The deadline for submissions is 2 March 2012
- First come, first served

Each application must also include the following:

- Title of the presentation
- Name of speaker, including his/her position at the company and contact data
- At least three bullet points to sum up the content of the presentation.

If you are interested in taking part in the Forum please fill in the form below and return it to us as soon as possible and at the latest by **2nd February 2012**. The exhibition management will then decide on the programme of events and the allocation of presentation slots. Please appreciate that it will not be possible to allocate the preferred presentation time in every case. However, we will do our best to meet your requirements.
