General Guidelines for Stand Cleaning

Remark:

Disposal of refuse or construction material should be ordered separately (please see order for Refuse Disposal).

According to the Technical Guidelines C1, item 6.2.2 "Cleaning" all cleaning services should only be executed by the cleaning company authorized by Informa Business Communication.

The exhibition area has to be left clean and tidy. A necessary cleaning will be charged to the exhibitor (especially for remaining adhesive tape).

For daily cleaning of closed rooms, please mention a date for handing over the keys.

1. Preliminary cleaning (Cleaning during the night prior to the event)

Preliminary cleaning entails the collection and disposal of all packaging and rubbish (superficial cleaning) as well as dusting and washing of furniture and floor (and where applicable vacuuming of carpets). Payment is for all confirmed hours of work.

2. Regular cleaning

Regular cleaning includes the removal of dust from floors and furniture and the wiping of these areas with a damp cloth, as well as vacuum cleaning of carpets (no shampooing).

3. Other duties of the client

The client must clear all objects to be cleaned; this is not included in the duties of our cleaning personnel unless stipulated in writing in this order.

4. Cleaning periods

Preliminary cleaning will take place in accordance with verbal agreement, and at the latest on the night prior to the opening of the event. Regular cleaning will be carried out each day of the exhibition/fair after the official closing time.

5. Clients must ensure that we are granted access to the areas to be cleaned and to power points. If necessary they should supply us with keys.

6. If no personnel are present on the stand when delivery is made, the services shall be considered to have been duly provided upon fulfilment of the services or delivery of the hired equipment to the stand.

7. The service provider/lessor is not required to check the authority of the personnel encountered on the stand when the services are provided or when hired goods are delivered.

8. Complaints about the standard of cleaning work should be made to us on the day in question in writing. We cannot consider later objections. We are obliged and entitled to make up for any proven deficiencies. Cancellation of the contractor or a reduction in the amount payable is only possible if the subsequent improvement is inadequate.

9. Charges will be based on the square metre area of a stand as listed in the official hall plan of the EURO ID and Hospital Build Europe 2012, and may also include aisles that are inside the stand areas, as well as second floor stand areas.

10. Our rates may be adjusted on a percentage basis in accordance with wage increases.

11. Remuneration

The invoices for all ordered services of the Exhibitor Service Manual will be submitted at the end of the event. The invoice will be payable after receipt.

12. Liability

The amount and extent of our liability for any damage of personal injury caused by our staff is listed below. The client undertakes to carry out an immediate inspection after the cleaning work has been carried out, in order to establish whether any damage has been caused. Obvious cases of damage must be reported in writing immediately. All cases of damage and injury will be dealt with and paid for exclusively by our insurers. We have taken out public liability insurance against damage or injury for the following amounts: up to 1,000,000.00 EUR for personal injury, up to 500,000.00 EUR for damage to property and objects, for failure to provide suitable care or for damage due to bad workmanship, up to 50,000.00 EUR.

Miscellaneous

Ancillary agreements are only effective if they are made in writing. The contractor will store and process personal data in the normal way, and using data processing. An undertaking is given to abide by the regulations of the Federal Data Protection Law. The place of jurisdiction shall be Berlin. Each of these regulations shall be valid in its own right.
